*Hello!*

Happy 100th Anniversary Decatur Park District! For 10 decades the Park District has been shaping the lives of our youth, providing amazing recreational opportunities, caring for acres of beautiful greenspace, offering high quality aquatic education and swim programming, educating those we serve about fitness, health and wellness, creating a sense of community amongst our aging population, cultivating a passion for the performing arts and bringing world caliber entertainment acts to our lakefront stage. Milestone anniversaries are always a great time to give special recognition to those who have helped to keep the organization going for that many years.

I would like to take this time to thank all current and former Park District Commissioners and Parks Foundation Board members. These dedicated public servants and volunteer stakeholders have helped provide a high quality of life to those living or visiting our community.

Next, I need to thank our donors and volunteers. Many of the unique experiences possible through the Park District are because of the generosity of our Decatur Parks Foundation benefactors and dedicated volunteers. The work of the Foundation is not possible without volunteers. Our community members have supported the Park District through their time, treasures and talents for many years. The Parks Foundation is grateful each and every day of the year for the generous donors that have sustained our vision to support the Park District. Donate today to watch your gift grow the Decatur Parks Foundation and together we can continue to make a better Decatur and Decatur Park District for the next 100 years.

Sincerely,

*Alyssa Delatte*

### ALL TOGETHER FOR THE ALLIGATORS

In the fall of 2023 the Parks Foundation launched a fundraising campaign to renovate the Alligator exhibit at Scovill Zoo. A generous donor has committed a \$250,000 matching gift towards the expansion and improvement of the Alligator exhibit and holding building under the campaign in September 2023. Since beginning this campaign, the fundraising efforts have yielded positive results and awareness. In a grass roots effort to gather spare change amongst school age kids in our community. Gator-Aid brought in more than \$6,000 in the fall we hope to bring in more this spring, when we head back to the schools to educate our local kids about the fundraising efforts by the Foundation to help the Alligators.
