

Scovill Mobile Zoo

**For a unique, hands-on animal experience,
let Scovill Zoo bring the zoo to you!**

The Scovill Mobile Zoo provides amazing, educational animal experiences for schools, non-profit organizations, and various community events! Each presentation is catered to the needs and age level of the group.

School Presentation Rates

- 1st Presentation = \$125
- Each Additional = \$100
- Pre-K to Grade 1 = 30 minutes
- Grades 2 & older = 45 minutes

Informal Mobile Zoo Presentations

Designed for large groups (science fairs, festivals, company picnics, church events). The first hour is \$175; additional hours are \$125 each, plus mileage fee

Animals will be presented one at a time so students can learn, discuss, and possibly touch. Zoo volunteers are trained on presenting ambassador animals with three different topics for the booking organization to choose from: "What makes a good pet", "Classification", and "Animal Senses".

A fee for mileage is added for Mobile Zoo visits outside of Decatur. Please book presentations at least two weeks in advance. Topics and animals may be requested but cannot be guaranteed. Because of the busy 'yellow bus season', Mobile Zoo presentations are only available to nursing homes in May, for a \$130 presentation fee.

Please keep class sizes limited to 15 for younger students and up to 30 students for upper grades. Groups larger than 30 will require additional presentations.
